

1) O-ring

Basic features

Principle of operation	Adapters in general
Scope of delivery	Adapter O-ring $\varnothing 14.0 \times 1.5$, FPM 90 O-ring $\varnothing 22 \times 2.0$, FPM 70
Use	for pressure sensors with G1/4" inside thread

Material

Material	1.4301 stainless steel
-----------------	------------------------

Mechanical data

Process connection	M20x1.5 outer
